Wellness Package

Greener Pastures Veterinary Clinic, Inc. has designed an Equine Wellness Package to provide our clients with the peace of mind that comes with knowing that their horse(s) are receiving the best preventative health care on a regular and timely basis. One annual fee will cover the cost of physical examinations, routine dental work, and routine vaccinations. This is a convenient way for both owner and veterinarian to keep track of your horse's care. Please call for more information.

*The Wellness Package will be adjusted due to differences in the Farm Call for the following reasons: (1) A boarding facility with less than 10 horses on a barn work sign-up sheet will have an increased Shared Call cost per horse, the minimum is \$10.00 per horse. (2) Owners with more than one horse will not have a Farm Call cost on each additional horse.

‡ Dental work may be performed at the Spring or Fall visit depending on the needs of your horse. Additional costs may apply with more severe dental abnormalities.

Disclaimers: Expiration Date is one year from the first appointment for the Wellness Package. The Wellness Package is non-transferrable between owners or between horses. The Wellness Package is non-refundable and no substitutions allowed.
